

26<sup>th</sup> January 2015

Dear Parent/Carer,

As you are aware our school was inspected by Ofsted a couple of weeks ago. We are delighted to let you know that the final report has now been published and is available in the download section of our school website. If you would like a printed copy please ask at the school office.

We are thrilled with the outcome, particularly since the new framework for inspection is extremely tough. We truly believe that this is only achieved as a result of our strong partnerships with you as parents and your continuing support for the school. Of course, none of this would be possible without the hard work, skill and dedication of our team of staff.

You will see as you read the report that the inspectors were extremely impressed with the quality of teaching and the outstanding attitude to learning of all your children. Behaviour and safety and Leadership and management are judged to be outstanding.

We very much hope you will join with us in celebrating the success that is so justly deserved for everyone in our school community.

Kind Regards

Anne Elliott

Executive Principal
