## Behaviour

Children who demonstrate an acceptable standard are awarded weekly reward points. To be awarded a point the children would have to be in the right place, at the right time and doing the right thing.

This week 222 children have had good behaviour all week.

| Nursery | Reception | Year 1 | Year 2 | Year 3 | Year 4 | Year 5 | Year 6 |
|---------|-----------|--------|--------|--------|--------|--------|--------|
| 26/26   | 22/28     | 27/30  | 29/29  | 24/27  | 29/32  | 33/33  | 32/32  |

### Attendance and Lates

93.4 % and 5 lates

Our attendance target for the year is 97%.

Year to date:95.4 %

Reception  
93.9% 1 late

Year 1  
92.3 %  
0 lates

Year 2  
93.8% 1 late

Year 3 90.4%  
0 lates

Year 4  
95.3% 0  
lates

Year 5  
94.8% 0 lates

Year 6  
92.5% 3  
lates

### Up and Coming Key Dates

|                       |                                  |
|-----------------------|----------------------------------|
| 3 <sup>rd</sup> July  | KS2 transition afternoon 2pm     |
| 4 <sup>th</sup> July  | KS1 transition afternoon 2pm     |
| 13 <sup>th</sup> July | Non- competitive sports day 10am |
| 13 <sup>th</sup> July | Competitive sports day 1:30pm    |
| 14 <sup>th</sup> July | Nursery sports day 10:30         |
| 17 <sup>th</sup> July | KS2 performance 10 am            |
| 18 <sup>th</sup> July | KS2 Performance 1.30 pm          |
| 19 <sup>th</sup> July | Year 6 leaver's assembly 10 am   |
| 21 <sup>st</sup> July | Ducklings Pink Pig Farm          |

### Student of the week

Nursery : Kaiden Nottingham

Reception: All of Rabbit class

Year 1: Nathaniel Peppard

Year 2: Ruby Croft

Year 3: El Foster

Year 4: Hannah Betts

Year 5: Ruby Duggan

Year 6: Libby Walker

Well  
done!

### Uniform Reminder for September

navy sweatshirt, jumper or cardigan  
 grey trousers, skirt or pinafore  
 white or jade green polo t-shirt  
 black sensible school shoes not trainers

### Squirrel class.

This week we have been getting ready for our trip to Conisbrough Castle. We have been really creative this week by making collage dragons and completed reading comprehensions about castles. We have also enjoyed making and tasting the healthy smoothies on Wednesday

### Rabbit class

Our Trip to the Deep finally arrived! We had a fantastic time and really enjoyed looking at all the different sea creatures. We saw zebra sharks, eels, penguins and poisonous frogs!

The children were brilliant from start to finish – we were really proud of them! We are now really excited to get stuck into our Under the Sea topic!

### Hedgehog Class

Firstly, a quick recap from our trip. We had a great day at Doncaster museum. In the morning a lady called Ashleigh taught us all about where the Romans came from and why they invaded Britain. We then had a chance to dress up as a Roman soldier, lady, man, child and a Celt. We also had fun making a mosaic, planning a roman dinner party, playing a Roman board game and investigating some real roman artefacts that were over 2000 years old! After our lunch, we had our second workshop. We became archaeologists and investigated some Coprolite-Roman poo!! (Don't worry, it was only play-doh!) We had to use gloves and wooden sticks to find the seeds and fruits that a Roman citizen had eaten and ended up in the coprolite. It was very messy! Also this week, Chartwells came in and we made fruit smoothies using a bike to pedal and power the blender! They were all delicious.

### Duckling Class

Duckling Class has been fishing this week! We have made fishing rods, painted fish, read stories about fish and counted up to 10 when singing 12345!

### Snapchat Update

Snapchat have introduced a new feature, Snap Maps. You can literally zoom in on one of your snapchat friends and it will tell you what street they live on. This could be dangerous for young children. Either make sure you know EVERYONE on their snapchat or make sure they have ghost mode enabled. If you need help with this please don't hesitate to contact Mrs Ali

### Deer Class

This week we have had the remaining Year 6 working with our class. Therefore, we have all worked on a project about the Olympics. We started the week by thinking of events for the athletes to take place in and then planning a timetable for these. After we finished this, we moved on to designing a stadium and thinking about the important features that are needed inside which included toilets. However, we also thought about features we would want such as: bouncy castles, swimming pools, chocolate fountains and slushy machines. Eventually, we thought about the costings that would be needed and lots of different ways to advertise our Olympics.

### Dormouse

In Dormice class this week we have been busy inventing our own adventure stories! The children have worked really hard to ensure their stories had a beginning that described their setting, a middle that includes a problem and an ending that explains how the problem was solved. I have really enjoyed reading these! In science we have been learning all about different materials. We went on a hunt around school to find things made from different materials. We then sorted them into different materials and talked about the properties of each material. Soon we will be investigating which material would be most suitable for fixing my umbrella!

### Fox Class

Fox Class have been adapting their Roman Soldier letter by learning how to add more detail to describe nouns. The children have been learning about writing sentences with more than one clause using because, when and if. They have done really well with this! In maths, we have been placing positive and negative numbers on a number line. We have then had to use a thermometer to answer reasoning and problem solving questions. Fox Class really enjoyed learning about this. We have been very creative and designed our own Roman Shield and began to design mosaic tiles.

### Safeguarding – e-safety

Please take time to look at these useful links to help keep your child safe online

Thank you for your continued feedback. As Crookesbroom Primary Academy strives to ensure achievement for all: working in partnership with our families to enable learners to develop emotionally, socially and academically within a safe and secure environment. Mrs Wood holds regular Parent Voice meetings. Staff are available to answer questions or queries and Mrs Hillyer is usually on the playground or in the corridor before school. Please
