Behaviour

Children who demonstrate an acceptable standard are awarded weekly reward points. To be awarded a point the children would have to be in the right place, at the right time and doing the right thing.

This week children 225 have had good behaviour all week.

Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
26/26	22/28	30/30	27/29	25/27	32/32	32/33	31/32

Attendance and Lates

94.1 % and 13 lates

Our attendance target for the year is 97%.

Year to date: 95.4 %

Reception
88.9% 4 lates

Year 1
93.7% 1 late

Year 2
97.9% 3 lates

Year 3 91.5 %
0 late,

Year 4
94.4% 1 late

Year 5
97.9% 3 lates

Year 6
93.4% 1
lates

Any donations for the summer
fayre will be gratefully received.

Student of the week

Nursery : Rory Williams

Reception: Poppy Goggard

Year 1: Kelsey Edgar

Year 2: Grace Omar

Year 3: Declan Hickson

Year 4: Scarlett Connors

Year 5: Aimee Bristowe

Year 6: Ruby Smith

Well
done!

Up and Coming Key Dates

17 th July	KS2 performance 10.am
18 th July	KS2 performance 1.30 pm
19 th July	Leavers Assembly 10 am
20 th July	Summer Fayre 1.30pm

Having taken advice from the Local Authority this week, school will be sending FPN requests for holidays taken during term time. Current attendance and previous holidays taken during term time will be taken in to account in deciding whether to issue a FPN. A FPN is £60 per parent per child.

Squirrel class.

The children are really enjoying our castle topic and have this week written a story about a magical suit of armour! The armour got up to no good, chasing the residents around the castle and down the 'Long Drop' YUK!

In maths the children have been investigating capacity and have spent time reading and ordering scales of 1, 2, 5 and 10. They have completed estimation, fraction and partitioning challenges- well done! During the afternoon the children have designed their own coat of arms

Rabbit class

We have had quite a busy time this week in Rabbit Class. We have made pirate biscuits and pirate drinks and have written instructions on how to make them. Lots of us enjoyed the biscuits, however, the same couldn't be said for the pirate drink! Yuck!

The boys and girls have also been working hard at practising for their sports day. They have demonstrated fantastic team work skills and have put all their effort into the different activities. Their hard work and determination made everybody really proud!

Hedgehog Class

What a busy week we've had in Hedgehog class! We have been busy singing, ready for our performance of Jungle book next week. On Monday, some of the class chose to take part in Active Fusion's Kick Rounders tournament. Well done to those children who participated. The children worked well as a team and I am delighted to say we had one team in second place and... one team in first place! Well done everyone! We have also had a fabulous sports day and enjoyed our non-competitive events in the morning and the races in the afternoon. Again, it was great to see some super teamwork!

Duckling Class

Duckling Class have been training hard for our Sports Day (Friday 14th July at 10.30) We are also feeling very grown up because we spent the morning with our new teacher Miss Walker and all stayed for dinner!! We can't believe that there is only one week left of being Ducklings!!!

Badger Class.

This week, we visited London. We had a tour of the Houses of Parliament, went down Downing Street and even met the Prime Minister!

The children had a fantastic time!

Deer Class

We started the week by looking at individual liberty and how it affects us. The children have worked hard to produce diaries about how their individual liberty could be compromised. All week, we have worked so hard to learn what we needed to do for sports day and the play. On Thursday, we all did so well with our sports day and made the school really proud. Year 5 are always trying their best in singing and the songs are coming along nicely. We can't wait to show it to you all.

Dormouse

This week in Dormice class we have been practising time in our maths lessons. We have become really good at telling the time to the hour and half past the hour on a 24 hour clock! We can't wait to learn to tell the time on digital clocks next week! In science we have continued exploring materials and investigated which material would be best to fix a broken umbrella! We all had so much fun on sports day and hope you enjoyed it as much as we did!

Fox Class

Fox class have had a busy week practising for sports day. The children have shown the skill they have learnt in our PE sessions and applied them in non-competitive and competitive games. We have been learning about equivalent fractions in maths. The children had to use their multiplying and dividing skills to make fractions equivalent. They understood this concept very quickly and were amazing.

Fox class have been making roman soldier shields, which the children have designed themselves. The shields the children have made are looking fabulous and actually could be mistaken for real roman shields. How creative the children are!

Safeguarding – e-safety
