Behaviour

Children who demonstrate an acceptable standard are awarded weekly reward points. To be awarded a point the children would have to be in the right place, at the right time and doing the right thing.

This week 222 children have had good behaviour all week.

| Nursery | Reception | Year 1 | Year 2 | Year 3 | Year 4 | Year 5 | Year 6 |
|---------|-----------|--------|--------|--------|--------|--------|--------|
| 26/26 | 27/28 | 27/27 | 29/30 | 27/28 | 25/26 | 29/33 | 33/33 |

Attendance and Lates

95.6% and 15 lates

Our attendance target for the year is 97%.

Year to date: 95.1%

Mrs Ali has given birth to a baby boy this morning at 7:10am. Poor Mrs McConnell is still waiting for her arrival!

Parrotfish Class

It has been a busy week! On Monday, Parrot Fish had transition in their new class - Rhino class. They used chalk to draw all about themselves and also find out about each other. Parrot Fish have also been using their resilience and positive attitudes to complete the practice SATs tests. We have also been getting ready for the KS2 production next week of Beauty and the Beast.

Turtle

This week we have been looking at the development of artificial intelligence and how this may affect our lives in the future.

The children then designed their own machine that would complete a task of their choosing. We had some fantastic ideas!

Starfish

This week we have been busy designing and building our own pirate ships! We thought about all the different parts a pirate ship needs and ensured we used a range of materials to replicate each part. We really enjoyed this and all the children have done a fantastic job! We have also begun planning our own adventure story! The children have had some fantastic ideas and we cannot wait to get them finished next week!

Jellyfish

We have continued to prepare for our visit to Pink Pig farm. We have made pig masks, paper Mache piggy banks and used the story of The Three Little Pigs as our Talk for Writing text.

Angelfish

It was lovely to see so many of you at our transition event. I am really looking forward to teaching your wonderful children again next year. We have been busy rehearsing for our KS2 Beauty and the Beast concert this week. The children have also started to write a persuasive letter, where I thought of the idea of homework every night! (Only joking!) Some children thought this would be a great idea- whilst others thought it was a terrible idea! I look forward to reading their persuasive letter replies next week!

Stingray

This week we have delved further into the rotten life on board a pirate ship and have investigated the different types of food the pirate might have been lucky to have experienced; from 'hard tack' with maggots to dry salted meat and Sauerkraut, we thought the pirate's diet was DISGUSTING! We even tasted Bombou a spiced drink with ginger and lemon, no rum of course!

Lobster

This week, Lobsters have been learning about Time in Maths. We have been looking at minutes, hours and seconds. We also had a go at converting analogue time into digital time.

Seahorse

This week, the children have practised different activities for their upcoming sports day! They are becoming confident with their activities and cannot wait to show you their skills on the day. Seahorse Class have been to visit their new class this week too. They returned having completed lots of activities and are excited about becoming Koalas. Many of our children have also been acting this week with Mrs Brook. They are preparing something special to perform in our 'Crookesbroom's Got Talent' show -we can't wait to see it!

Leadership Signposting

If you have any questions or queries in the first instance please see your child's class teacher. If after speaking to a teacher you require to speak to a Senior Leader then Mrs Hillyer and Mr Longley will be more than happy to help you.

Thank-you for your continued feedback. Crookesbroom Primary Academy strives to ensure achievement for all: working in partnership with our families to enable learners to develop emotionally, socially and academically within a safe and secure environment. Mrs Wood holds regular Parent Voice meetings and all are welcome. Staff are available to answer questions or queries and Mrs Hillyer is usually on the playground or on the corridor before school. Please feel free to come and speak to us.
