

**Closure of Academy due to Severe Weather / Flood or Extended Utility Loss  
(electricity, oil, water)**

We follow the Doncaster Policy for School Closures due to severe weather and heating failure.

In the event of closure :

- The office manager/site supervisor will contact parents and ask them to collect their children as soon as possible. Any child that cannot be collected shall be kept at the Academy until usual home time.
- Members of the senior leadership team who live within walking distance of the Academy shall remain until all pupils have been collected.
- The office manager will inform Trax FM who have a protocol in place to inform the community about Academy closure.
- The office manager will inform the SPT about any exceptional Academy closure.
